Subject: Scholarship Application Process

Please read this information carefully in order to ensure that your application is complete. Incomplete applications cannot be considered for funding.

The Rotary Club of Grants Pass Scholarship is a one-time scholarship of \$2,000.00. Students who place emphasis on advanced placement, vocational studies or college preparation will be given special consideration. Academic achievement, extracurricular activities, community involvement and financial need receive equal consideration during the evaluation process. Three letters of recommendation are required. There are also two (2) essays required as you will see on the Scholarship Application. One will be the student's career goal statement of approximately 500 words, and the other will be a personal essay of approximately 500 words relating to the Rotary's "Four-Way Test" (below) as it applies to the student's life.

#### Four-Way Test of Things We Say or Do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

As financial consideration is one-third of the evaluation, it is important for the requested information to be complete. Please list all financial resources. For example, if there is a trust fund or investment income, you must indicate the amount of income available. Any special circumstances related to college expense funding should be explained. Parental income information must be complete.

We look forward to receiving your application.
